

**ADM Pressings Limited**

**The Business Growth Fund Grant Application**

**Tender opportunity**

**Tender title** – ADM Pressings – investment in new plant and equipment and premises improvements

**Contract start date** – January 2025

**Expression of interest deadline** – 26 December 2024

**Submission deadline** – 31 December 2024

**Project overview:**

ADM is a precision engineering business located in Newcastle specialising in metal pressing, fabrication and assembly. The company predominantly services OEM and tier one clients in the automotive, commercial vehicle and off-highway sectors across the UK. The Company intends to continue to expand its range of products and services within the electric vehicle chassis market. Doing so will require us to invest in various pieces of machinery and equipment and carry out upgrades to our factory infrastructure that have been identified as necessary to deliver these growth plans.

**Overview of tender requirements:**

We are seeking suppliers for the following:

- Overhead Gantry crane
- Swing arm cranes x 2
- Welding Machines x 12
- Press-Brake Machine
- Measuring table - Rotating measuring table for laser measuring device
- Data Capture Machine - Machine for data capture/traceability requirements
- Cobot - welding for ADL piece parts
- Small tools and RPE (respiratory protective equipment)
- Extraction units x 12
- Cell Layout & Infrastructure - Electrical, Gas & Air Requirements (Civil Work)

Organisations are permitted to tender for the full scope or for partial elements of the required items.

Full details of ADM Pressing Limited's requirements are provided in tender documentation which will be issued to interested parties wishing to tender.
